

1754 Deed from Noah & Mary Wills to William Green
(Transcription by the Trenton Historical Society)

[MS 37. Literal transcription – misspellings are left intact, xxx denotes illegible word, italicized items are my own comments for clarification. Please note that in some instances the letter “e” has been replaced with the letter “o,” the letter “s” has been replaced with the letter “f,” and where the letter “f” begins a word, it is written twice (example the word fifty is spelled ffifty), as was the custom at that time – TG.]
